## District Governor 105N

Fellow Lions, Leos and Partners

Firstly I would like to thank all clubs and individuals who contributed to last months Newsletter. The many articles reported showed the wide range of activities that are being undertaken across the District, and resulted in a bumper of pages in the issue making it an excellent read. Many thanks to Lion George Morgan for his great editing skills !

I suggested in the last issue that I would like to see a 'diary' of club key events appearing each month. During my travels, a number of clubs have equally expressed their desire to see this - remember to get a list of your key dates and activities to George.

Invitations to Charter Dinners / Lunches are coming in thick and fast. Unfortunately, there are inevitably date clashes. I apologise in advance if I have to decline to some invitations due to clashes, but remember we do now have VDG's in Lions Gillian and John who will gladly attend if they are available.

Further on in this issue, you will see an article on the Royal opening of the Serenity Suite at Doncaster Hospital where Lion Ron Lindsay attended to represent all Lions in the area who raised funds locally and together with funding from LCIF, made Lions one of the biggest donors to this great project. Our thanks go out to all involved in being part of this and i am sure they all feel a great sense of pride in their achievements.

### **Membership**

I am pleased to report that in the first three months of our year, 35 new members have joined us. We extend a warm welcome to all and our thanks for choosing our great organization to give service. This means our net membership has grown by 19 since the start of the year on target to meet our target growth.

### **Events**

Many clubs in the District are very busy in raising funds, to be distributed by LCIF, for relief to the recent devastation caused by earthquakes in Morocco. It is such times that we as Lions come together in these times of great need and show the world what we can do. I would strongly encourage all Clubs to undertake fundraising activities wherever they can - remember what we as a District achieved for relief for the Ukraine crisis.

### **Appointments**

Following the recent resignation of Judith Wild from the position District GLT Coordinator, I am pleased to announce that Zone Chair, Michelle Nicholson (Castleford & Pontefract) has agreed to take on this very important role with immediate effect. Many of you will remember that Michelle held this position a number of years ago and will be a great asset to us all in developing out Leadership teams at club and district level.

Two important District roles remain vacant - Hunger Relief officer and Speech & Hearing Officer - if you are interested in taking on one of these worthwhile roles, please contact me or PDG Andrew Sutherland for further details.

**1st District Vice Governor 2023 / 2024**

I have now visited 5 clubs and I enjoy each for the different models of meeting set up, the range of activity and most of all the service that is available to the communities they serve.

The rock in the photo was a gift from Filey Lions at their recent meeting where they had 12 Hornsea Travelling Lions visitors.

For those clubs set on getting the Travelling Lions Club trophy this year Hornsea will be hard to beat.

The game is on as they say, and if you need information please contact Roy Field [rjafield58@gmail.com](mailto:rjafield58@gmail.com)

This last month has seen more disasters borne out of adverse weather conditions and as Doncaster benefitted from LCIF funding during their floods in November 2019 so can we support communities at home and abroad through our LCIF donations. Please consider adding this to your agenda over the coming months. Information is available from Roy Chambers [roychambers259@gmail.com](mailto:roychambers259@gmail.com)

It's a busy month of training for me both here at my desk and at Lions Institute training centres. If you have a puzzle that would benefit from some training input please ask your Zone Chair for information.

## Tickhill & District Lions Club

### Royal Visit to the Doncaster Royal Infirmary 19 th September 2023.

Her Royal Highness Princess Anne the Princess Royal visited the Doncaster Royal Infirmary and the newly installed Serenity Suite.

This was the first Royal visit for 10 years and was organised by the Royal College of Nursing. The visit, as expected, came with the level of security you would expect for such an occasion and was professionally controlled by the South Yorkshire Police.

Attendance at the event was by invitation only and Lion Ron Lindsay PMJF was invited to attend and represent Tickhill & District Lions Club, Thorne Rural Lions Club on behalf of the Lions Club International Foundation. Three other charitable organisations also attended, they were, the Albermarle Organisation, the Sands Charity and a young mother form Worksop in Bassetlaw who had lost a child in November 2022 and had carried out a significant amount of fundraising for the project.

When the Princess Royal came into the Serenity Suite, I was introduced to her with the usual protocol and etiquette, she shook my hand and immediately noticed the Lions Badge on my blazer, she immediately commented that she knew the Lions did a lot of great charitable work. I informed the Princess how Tickhill and District combined efforts with Thorne Rural Lions had raised approximately £20,000, then followed this up with a Matching Grant application to LCIF Headquarters in the USA, thereby doubling our joint donation to almost £40,000. The Princess Royal was suitably impressed.

The Princess shook hands and had a word with everyone present, taking care not to leave anyone out. Everyone present was extremely impressed. The Princess Royal was invited to unveil an official plaque recording the Royal Visit and the opening of the Serenity Suite.

The Princess was officially thanked for visiting the Doncaster Royal Infirmary and opening the Serenity Suite.

Continued in next column

Suite, to which she immediately responded, "It is not me you should be thanking, it should be all those who have supported the project by fundraising to make it all possible".

This comment really hit the point and made our efforts and efforts of other organisations greatly appreciated and worthwhile. Official photos will follow after approval by the Palace.

Finally, I was extremely proud to represent Tickhill & District and Thorne Rural Lions Clubs on behalf of the Lions Clubs International Foundation, it was most certainly a day to remember.

## MD105N District Sight Officers Update - September 2023

Dear All

Welcome to the first of this years Lions in Sight Update.

First - just a gentle reminded - **World Sight Day** this year is 12th October 2023 and I very much hope that each and every club in our district will be able to do something to recognise the day.

This could just be as easy as Sharing a Message on social media – ‘This is World Sight Day, get your eyes tested’, and/or upload a WSD photo image on the Facebook cover page or timeline.

Or, downloading WSD material from the iapb website ([www.iapb.org](http://www.iapb.org)) and hold an ‘Awareness Raising Event’ on 12th October.

Or download photos of the things Clubs do to support visually impaired people. (Talking Newspaper, Volunteering, befriending, IT etc)

I have already heard from several Clubs about what they are doing re World Sight Day and also about some of the exciting sight loss related things they are all doing throughout the year, but we really must ensure that we are capturing everything that each Club is doing re Vision and get to the top of the service leader board on Sight... .

To that end I would ask each Club to

- a) log number (maybe not exact) of glasses recycled.
- b) log numbers of TN editions produced to include how many actual copies go out to people , how many Lions volunteers plus volunteer hours.
- c) log other sight related activity and volunteer hours.

**Please do note** that the Lions In Sight page on Lions International UK website has been updated.

<https://lionsclubs.co/MemberArea/home/lions-in%0%9f%91%81sight/>

with the new Lions In Sight poster and an updated Project Ideas sheet . Also available is a power point visual awareness session and the Sight Roadshow presentation – all good for sharing with Clubs.

Activity re **recycling spectacles** is at an all time high. Many thanks to everyone for all they do. I do know that at some time in the future HQ will be asking for information regarding exactly where we all collect our recycled spectacles from, so something we need to be thinking about. On the members area of Lions Clubs International website are details of ‘how why where and when’ re Spectacle Recycling.

**In looking to the future** we are hoping to develop new national partnerships with sight loss related organisation in UK, especially thinking about how we as individual Lions Clubs can then support and volunteer with them locally. We are hoping to partner with Visually Impaired Bowlers England (and hopefully Wales and Scotland), and the Royal School for Blind Children. Any other suggestions of organisations we could work with would be most welcome.

And finally I would remind you of Lions Sight Savers Trust, which over many years has been able to make considerable financial contributions to Sight Savers to support the great work they do across India and Africa. Lions Clubs International Foundation (LCIF) where from July 2022 to May 2023 they awarded 83 vision related grants totalling US\$7,580,006 across the world aiming to prevent avoidable blindness and improve the quality of life of people who are blind and visually impaired.

**SIGHT is a key priority for Lions Clubs International, and together we can make a difference.**

Kind regards

Lion Sue Taylor  
District105N Sight Officer.

## Members Wellbeing

Are you worried or concerned about a loved one's wellbeing?

Have you noticed a change in a fellow lions behavior which has lasted for more than a few days?

Have you lost your mojo and feel overwhelmed by everything?

If any of the above apply to you, there is help and support available. The Members Wellbeing service we launched last month in our district, is a confidential service which you can access for information and support with concerns about yours or your loved ones mental health and wellbeing.

Please note this service does not replace professional mental health counselling or services, but we will be able to signpost you towards professional services and organizations that will be able to help you.

As the TV advert tells us..... it's good to talk, so if you would like someone to speak to about your concerns and find out more about how you can best support others or what organizations may be able to help you, please contact

**Lion Michelle Nicholson on 07801 056 284**  
for a confidential conversation.

As a Lion, you are never on your own..... we not only serve our local communities, but we care and are always there for one another.

## Tynedale Lions Club

Thanks to the fine weather in June the 21<sup>st</sup> Tynedale Beer Festival was once again a great success, raising Over £35,000.

So it was especially good to welcome this years main beneficiaries ,to the Tynedale Rugby Club, to receive their cheques and hear about the great work they do of our Community.

Our President Lion Julia D'Auvergne Oak was able to present cheques to:

The Great North Air Ambulance Service ,represented by Amanda received £7,000, Jane and Amanda from Cygnus Support received £3,500, Ninette,Emma and Paul received £3,500 on behalf of The Northumberland National Park Mountain Rescue Service and Blood Bikes represented by Paul received £7,000.

A special grant of £500 was also made to the Morocco Lions International Appeal.

Representatives of the various organisations receiving their cheques.

### Keighley Lions Club

#### Litter picking proves a valuable community effort

Keighley Lions have seen a great increase of activity since starting monthly litter picks in the community.

The campaign to 'Take Pride in Keighley' started July this year and has seen piles of litter being picked up by Lion members and supporters in the community.

Lion Luke Maunsell said, "I started this project through Lions because litter is something which burdens our community. Since beginning our campaign, we have done nearly half a year's worth of sessions with many more to come.

The people we serve have appreciated our work. At each litter pick, we have been thanked and even had members of the public join us. It is a real community effort and we look forward to continuing it far into the future."

### Elmet Lions Club

Elmet Lions had a great rider in the Great Selby Bike Ride – she is 7 and her name is Ada Jobling. Along with her father – John – she cycled the 25 mile short route and raised £1150 for the 4 named charities – British Heart Foundation, MacMillan, St Leonard's Hospice and  
Continued in next column

Martin House. Her friend had died of cancer earlier in the year and she wanted to give back to cancer charities.

Dad John works for Hiscox and they match funded Ada's fund raising activity and so her finale total raised was £2300!

Elmet Lions invited Ada to come to our September meeting and receive a certificate of appreciation and take hold of the 'big cheque'

Here you can see Ada – with her bike and number 140 – Elmet Lions members, & a representative from Hiscox.

We asked Ada to open the Great Selby Bike Ride on 19<sup>th</sup> May, 2024 and to our delight she said 'yes'

#### Car boots & Craft Fayes

This year Elmet Lions embarked on a series of car boots and craft fayes throughout the summer.

Typical to the British weather – one was rained off – however the others were very successful.

Not only did people come and sell – people came and bought – and every stall holder was happy to pay the pitch fee.

We also engaged with lots of local people and the donation bucket next to our stall was always very well supported.

## Delivering local magazines

When The Resident local magazine expanded into another village (South Milford) Elmet Lions volunteered to deliver the first issue in order to boost our Admin funds

A gang of 4 teams went out and delivered all 1000 copies to the village. We certainly got our steps in those days

Thankfully the weather was kind and sunny, the next issue is November, let's hope it stays kind!

## Wetherby & Knaresborough Lions in Partnership

### **A man appeared at a folk club in Wetherby asking for £20,000 and didn't get thrown out!**

His name was Bob, a retired lorry driver from Knaresborough and he had just returned from his eighth trip to Ukraine delivering humanitarian aid to the town of Volodymyr. He had become friendly with the mayor and asked if there was anything special they desperately needed – the reply was a fire engine! Specifically, one with a high-rise telescopic ladder as most of the accommodation in the town is in Soviet era tower blocks with no lift and only one staircase. A rocket attack on a lower floor would trap those in the upper flats with no means of escape.

The sums involved were more than one organisation could be reasonably expected to raise. The folk club, together with Leeds Ukrainian Society were organising fund raising events and asking for help from any other groups.

Wetherby Lions member Tim Ritson was in the audience and after a brief discussion with Bob decided this was something the Lions could become involved with and requested at the next Lions' meeting that they should support the project. This was happily agreed and Knaresborough Lions were invited to combine forces with Wetherby. The clubs, working together with other organisations, proved an unstoppable force and "Joyce" the fire engine will shortly be on her way to Ukraine.

Pictured are Tim Ritson (Wetherby District Lions) and Bob Frendt (driver and fund raiser)

Bob says, "thanks to the generosity of many people and companies including Wetherby District Lions and Knaresborough Lions, we are able to deliver a fire engine to the residents of Volodymyr!"

Bob adds, "it's amazing what you can do, and people want to help where they can."

As an additional bonus any empty space on the vehicle will be filled with chocolates for local schools and hospitals thanks to one of Wetherby Lions long time

## Minster Lions Club of York CIO

### Library In A Box

We are appealing for unwanted children's books, suitable for children between 4 and 18 years, to be collected and then sent on for the children of Sri Lanka.

Minster Lions Club set up a project named as [Library in a Box](#), following the tsunami which caused utter devastation to countries in the Indian Ocean back in 2006.

It was discovered after schools that Lions had financed and helped to rebuild; that they had no books to educate the children, due them being destroyed, hence the late District Governor George Bennett, following a visit to Sri Lanka, initiated the project.

Since then, close to 200,000 books have been collected, packed by Minster Lions, and despatched over the years since, via container to the Lions Clubs of Sri Lanka.

They have inventoried every book into categories and despatched to schools and libraries throughout the country, which apart from the early devastation, was affected by civil war. Since then the covid pandemic and political unrest has caused ongoing upheaval causing particular suffering to the education of children.

It is an ongoing very successful project, and we need more books, so please keep collecting for us

## DISTRICT 105N CONVENTION – 2<sup>ND</sup>-4<sup>TH</sup> FEBRUARY 2024

### THE HOLIDAY INN, SCOTCH CORNER

**Convention is being hosted by Teesdale District and Darlington Lions Clubs**

**Venue** – the District Convention for 2024 will be held at The Holiday Inn, Scotch Corner, a venue we have used twice before for Conventions. It has been chosen because of it has easy access from the A1 and also is near to train and air links if needed.

**Accommodation** – The hotel has a good selection of rooms and the rate per night, including breakfast, is £89.00 for a Standard room and £109 for an Executive Room.

Please book directly with the hotel either by email [reservations@hidarlington.co.uk](mailto:reservations@hidarlington.co.uk) or by phone 01748828612, where Charlotte will take your bookings. Please note that this number is only manned during normal office hours. Any specific requests for your booking can be made at this time. Please quote **LIONS CONVENTION** when booking. The deadline for bookings at this price is 6<sup>th</sup> January 2024. After this date the price will revert to the normal Holiday Inn price which is **room only**

**Parking** - there is free parking at the hotel, but **you must register your car's Registration Number in Reception when you arrive**. Failure to do this will result in a fine. There are also electric charging points.

**Friday Night** - Following previous Conventions there isn't an organised social event for Friday. It is a good time to catch up with friends and make new ones. There is a Restaurant at the hotel, and it is advised you book a table if you want to eat there. There are also local Pubs and Restaurants within about a 15 mins drive.

**Saturday Business session** – will be held at the hotel. There will also be display stands with various Lions Projects. Pre-booked Lunch is choice of meat chilli or vegetable curry both served with rice.

**Partners' Event** – Slightly different this year. Because we have visited Scotch Corner before we felt the partner may like a change to their day. The weather in February can be cold and wet so we are holding a Craft Day for partners in the hotel. We have a local Crafter helping us make felted items to take home and display! Lunch of sandwiches, wraps and cream scones

**Saturday Evening** - As traditional, our Saturday Dinner and dance will be a 4-course dinner followed by dancing! **Please select your menu choices and put onto the booking form.**

**Sunday morning** - A Question and Answer session with our Lions Guests.

**Booking the Events** - A Booking form is now available which shows the cost per event. When completed this should be returned to Lion Sue Barron, the Booking Officer. Her details are at the foot of the form, together with the payment options.

I hope that you enjoy the Convention we have planned for you all
